

Activities of Bhoomithrasena Club 2018-2019

World Environment Day celebration

- To **reduce** the usage of plastics, Bhoomithrasena club has conducted a workshop on making of Paper bags and Paper files on 5-6-2018. The classes were conducted by Mrs Rekha and Mr Vidhyadharan from IMMOWSE Training centre (Govt. approved training centre for self-employment Programmes, Thrissur) in the dept. of Botany. The students were inspired to make and bring paper files to carry their record sheets to the college campus.

Talk on the topic “Plastic pollution- challenges and remedies”

- Mr Anoop (Professor and Head, Department of Wood Science, Forestry College, KAU, Mannuthy) delivered a talk on the topic “Plastic pollution- challenges and remedies” for club members on 2/7/2018 . He emphasized on the reduce, refuse, reuse and recycle aspects of plastics and suggested alternative sources to avoid plastics.

Competition on ‘Making of useful products from waste plastics’

- An inter-departmental competition was conducted by Bhoomithrasena Club for the students on the topic ‘Making of useful products from waste plastics’ on 4/7/2018 college to exhibit their creative thoughts . This was an inspiration to the others to reuse plastics in some alternative ways and thereby **reuse** and **reduce** the plastic pollution. Winners of the competition were:

I Prize: Roswin Raju- II B.Sc. Botany
