Report 2015-2016

The inauguration of IT Club 2015-2016 was started with inauguration speech by Ms.BetsyChacko, HOD Dept.of Computer Science and Applications on 14th September 2015

IT Club had organized an informative session related to the basics of IT and the History of Computer Science as the first footstep to the IT Club activities. The founders and current CEOs of companies such as Google, Facebook, Twitter, Whatsapp, etc., Mobile Operating systems, popular Web browsers, Microsoft's latest Operating system – Windows 10 and finally the emerging trends in the field of IT, were the main attractions of the session. Also, there were discussions held on various activities that can be conducted as part of the IT Club. Many suggestions were put forwarded by the members. Let me conclude this report by thanking our IT CLUB for organizing such an informative session. The programme ended at 3.20 pm.

ELOCUTION

On *16 November 2015* at 2.20 pm, IT Club had organized an elocution on the topic 'THE INVENTION NAMED AS GREATEST REVOLUTION IN THE FIELD OF COMPUTER SCIENCE'. Sometimes a small beginning will be a milestone in the technology, for example – digital chip. Six participants from various departments were participated in the same. Everyone shared their own point of view in a different way. The *BIT* (Binary Digit) – (Which is the basic building block and also the unavoidable thing in the data), *Printer* – (from the cheapest printer to the latest 3D printing printer varieties), *Storage Devices* - (from the floppy to the huge volume Optical Storage Disk), were the main attractions. It was a wonderful experience and also a proud moment that, our IT Club members have very wide knowledge in general and also on the field of computer science. The program came to an end at 3.25 pm.
