

Literary Club 18-19

Literature preserves the ideals of the people, and ideals – love, faith, duty, friendship, freedom – are the part of human life worthiest of presentation. It is an interplay of imagination. Imbuing the ideals, Literary Club prepared its students to think creatively. Now, the members are working on their thoughts which will be portrayed in a blog, <https://marianquillblogspot.com> which has been created to showcase the creative minds. An e-mail account has been opened to share their works. The co-ordinators are Ms. Sony Chacko and Ms. Anu Chandramohan.
