

INNOVATION CELL 2017-18

The innovation cell of St.Mary's College, Thrissur conducted a meeting for this year programmes. This was commenced with a prayer which was followed by a speech by the innovation cell coordinator, Smt.Tisha Liza Tomy.

This year the cell monitored regular functioning of FM Radio for whole college at the time of lunch break. Along with the usual songs major information used to announce for the student community, which includes information on monsoon related diseases, nutritional foods to intake etc.
