

ST. MARY'S COLLEGE

INSTITUTION INNOVATION COUNCIL

Institution Innovation Council has been established in the college as per the direction of Ministry of Education, Govt. Of India to serve the purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. IIC focus on creating a complete ecosystem in the campus which will foster the culture of Innovation from ideas generation to pre-incubation, incubation and graduating from the incubator as successful start-ups.

As part of IIC calendar, various programs were organized in the college like Expert talk on "Process of Innovation Development & Technology Readiness Level (TRL)" & "Commercialisation of Lab Technologies & Tech-Transfer, Workshop on Design Thinking, Critical thinking and Innovation Design, National Energy Conservation Day(India) etc.. were some of the highlights. Detailed report is attached.

Sl No:	Program Type	Program Theme	Objective	Beneficiary
1	Leadership Talk	R&D and Innovation	Innovation Development & Technology Readiness Level (TRL)" & "Commercialization of Lab Technologies	Students
