

Activities of Entrepreneurship Development Club 2020-21

Faculty Coordinator- Dr Julie P Lazar

Student Coordinator- Maya C T

Students were motivated to enhance their creativity and to involve in making handicraft items home decors, cookery, ornaments, upcycling of old clothes to Innovative products for their own use and also for sale. This was initiated to ease students from the stress during the period of pandemic and also encourage earn while you learn. There was very good response from the student community

Organised a competition on DESIGN & MAKE YOUR OWN CLOTH BAG by Upcycling old cloths. The competition was in online mode and last date of submission of entries was 10 May 2021. The competition aimed at waste management, promote use of cloth bags to minimise plastic bag use and to

promote creative skills. 16 students participated in the competition and certificates of participation were awarded to all. Best entries were given prizes.
