

DEPARTMENT OF BIOTECHNOLOGY

2015-2016

IMA BLOOD DONATION CAMP

The Department of Biotechnology, in association with KSACS and funded by IMA organized a voluntary blood donation camp on Wednesday, 6th January, 2016. The camp started at around 9:30 am and continued up to 2 pm, with a steady stream of donors throughout. Jubilee hall was utilized for a thorough medical check-up (weight, hemoglobin count and blood grouping) followed by consultation with the doctor for potential donors. They were provided with lime juice and food including biscuits and banana. The camp was successful with the active participation of more than 75 volunteers from among the students, faculty and staff members.

AIDS DAY OBSERVATION

The Department of biotechnology in collaboration with KSACS conducted an AIDS awareness talk on “AIDS - Fruit to Human Greedy Desires” by Dr. Sreejith Sreenivasan on January 7th 2016. The talk gave a detailed insight on various aspects of AIDS, like causes, mode of transmission, precautions etc. The session was a grant success by the effective participation of both MSc. and BSc. Biotechnology students.

PLACEMENT PROGRAMME BY VWR, COIMBATORE

VWR, a biotechnology based company, conducted a placement programme in association with the Department of Biotechnology, St. Marys College on 16th February 2016. The undergraduate and post graduate students of various departments such as Chemistry, Botany, Microbiology and Biotechnology participated in the programme.
