Department of Vocational Studies

Expert class on JQuery and Bootstrap

On 16th Nov 2018 the Department conducted an expert class on **JQuery and Bootstrap** for 1st Semester and 3rd Semester Software Development students. The expert class was conducted in collaboration with Network Systems, Thrissur. The classes were handled by the team of three members under the leadership of Mr. Nikhil Murali (Senior Developer, Network Systems, Thrissur).

The students got an informative idea about website creation and its development. The first session focused on JavaScript and JQuery. The second session was about Bootstrap along with AJAX communication. Altogether the class was most effective for all the students.
