

Invited talk on reality and illusion

The Department of Biochemistry and Research Forum jointly organized an invited talk “Reality and Illusion” on 5th August 2021 at 12.00 to 1.00 pm. The session started with addressing the gathering by Ms. Rohini A and Anet Francis gave a prayer song. Dr. Deepa G Muricken was introduced and welcomed the resource person Prof. MRN Murthy, Santhiswaroop Bhatnagar awardee. Principal, Sr. Dr. Magie Jose felicitated the session. The talk was focused on the topic “Reality and Illusion”. The speaker with his dynamic personality explained to students regarding various images drawn on plain paper using pencil sketches revealing different impressions in different aspects. The science and the psychology behind these images were explained.

The programme was mainly for students of St. Mary’s College and participation was through Google Meet and Marian Webisode Live Telecast. The programme was concluded by Dr. Deepa G Muricken by thanking everyone for making the session a successful one.

Self-realization

Global hand washing day

Department of Biochemistry organized an awareness programme on 15th October 2021 in connection with global hand washing day. To aware the importance of hand washing, II BSc students from department of microbiology had performed a skit. For public awareness, we shared this in social media such as YouTube.
