

DEPARTMENT OF BIOTECHNOLOGY
WORLD ENVIRONMENT DAY CELEBRATION
PHOTO COLLAGE COMPETITION

As part of World Environment Day celebration on 5th June 2020, Department of Biotechnology, St. Mary's college, Thrissur organized a National level photo collage Competition. The event was organized to cultivate the tastes of the students as well as to connect with the environment. The event was well attended by students and was led by Student Coordinator Ms. Rose Mary C.Joy (II MSc. biotechnology). There was an active participation by the student community. Winners of Photo Collage Competition were awarded by Cash Prize. The winners who won the prizes for their great efforts included Shifa Shamsudeen (First prize, II DC Biotechnology), Lamiya P A (Second prize, III DC Biotechnology) and Amiya Wilson (Third prize, III DC Biotechnology).

GENDER SENSITIZATION TALK

ELIMINATION OF VIOLENCE AGAINST WOMEN AND CYBER CRIME

International Day of the Girl Child is an international observance day declared by the United Nations on 11th of October every year. This aims to support more opportunity for girls and increases awareness of gender inequality that includes access to education, nutrition, legal rights, medical care, and protection from discrimination, violence against women and forced child marriage. Department of Biotechnology conducted a gender sensitization talk on the topic “Elimination of Violence against Women and Cyber Crime” on November 24, 2020 at 11: 00 am through google meet. The Resource persons were Udhayachandrika S., Sub-Inspector of Police and Sreedhevi P.K., Senior Civil Police Officer, Vanitha Cell, Thrissur.

The speeches by the resource persons were highly educational and helped raise awareness about rights for women which included: right to life, right for protection, right to education etc.. They also shared their experiences with certain cases and helped the students to take precautionary measures in order to prevent cyber crimes. The program raised awareness about the rights of women; it also helped students in understanding cyber crime and violence against women in our society.

TALK ON

RESEARCH, INNOVATION AND ENTREPRENEURSHIP IN BIOTECHNOLOGY SECTOR

Department of Biotechnology organized a national webinar on the topic “Research, innovation and entrepreneurship in biotechnology sector” by Dr. Manesh Thomas, Chief Executive Officer, Manipal – Government of Karnataka Bioincubator, Udupi, Karnataka, India. The webinar was conducted on 6th August 2020. The talk emphasized on various opportunities in the field of biotechnology. The participants were familiarized with various research projects funded by government and non-government agencies. The guidelines and format of research proposals were also discussed in a thorough manner. The importance and scope of entrepreneurship, funding agencies and the risks in the field was also discussed. The interaction by the students was surprisingly high. The talk was streamed live in the youtube in marian webisodes <https://www.youtube.com/watch?v=uy1qdIt0Ajw> . E-certificates were provided to all participants.

TALK ON

JINGLE COMPOSING COMPETITION – OBSERVING WORLD FOOD DAY

On the occasion of 75th Anniversary of the founding of FAO, World Food Day is being observed under the theme “Grow, nourish, sustain - Together. Our actions are our future.” The Food and Agriculture Organization of the UN (FAO) designated 16 October as World Food Day in 1979. To promote the involvement of younger generation on global issues like suffer from hunger and necessity to ensure healthy diet to all, Department of Biotechnology had observed this year’s world food day with a jingle composing competition.

The competition was scheduled on 16th October 2020. There was a huge participation from the student community. The participants were given an online meeting prior to the competition to discuss the guidelines. The platform was also used to create awareness among the students about the importance of food and measures to be followed to prevent food wastage. The participants were urged to communicate with their friends and family about the theme of world food day 2020.

**ST. MARY'S COLLEGE, THRISSUR,
DEPARTMENT OF BIOTECHNOLOGY**
is organizing a Interdepartmental
jingle composing
competition on the theme *Food*
and health in the past and
present in association with **WORLD**
FOOD DAY 16th October.

Guidelines:

- Department of Biotechnology welcomes entries from all departments of St. Mary's College, Thrissur
- Students are encouraged to send in a video of your jingle with subtitles, starting or ending with a slogan not exceeding 1 min.
- The competition is for a teamwork including the jingle lyricist and the composer
- The jingles can be done in Malayalam, English or Hindi
- The name of the participants with their contributions and department should be included at the end of the video
- The videos should be original and any type of plagiarism and copyright infringement is not allowed.
- The videos should be submitted to btsmcevents@gmail.com before 15th October 2020 with a proper slogan title.
- Selected videos with the most catchy content would be awarded and streamed on You tube channel Biotechnologous.
