Karunardram

As a part of “karunardram “programme Chemistry association collected food packets from students and distributed among poor people on 21/10/2016.

OZONE DAY CELEBRATIONS - 2016

Department of Chemistry, St. Mary's College organized two day Programmes in connection with Ozone day celebrations 2016 with the support of KSCSTE and DST, Govt. of India on the focal theme "OZONE AND CLIMATE: RESTORED BY A WORLD UNITED" on 27 & 28 September 2016. On 27th September, Dr. Sr. Marriette A Therattil, Principal St. Mary's College, Thrissur inaugurated the celebration at 12.30pm. A Collage Making Competition on the theme 'Ozone and Climate: restored by a World United' was conducted on the same day.

On the second day (28th September), an Invited Talk by Dr. T. V. Sajeev (Scientist-E1, Department of Forest Entomology, Kerala Forest Research Institute, Peechi P.O, Thrissur) was organized at 10.30 pm. Sr. Mary K P, Head of Chemistry Department, addressed the gathering with a short speech on the importance of Ozone day celebrations

NATIONAL SCIENCE DAY CELEBRATIONS 2017

In an effort to popularize the benefits of scientific knowledge and practical appropriation, 28th February is celebrated as National Science Day (NSD). The basic objective of observation of National Science Day is to spread the message of importance of science and its application among the people. This is essential to accelerate the pace of development. Even in the 21st century and despite many significant achievements certain sections of our society are still guided by blind faith and beliefs, which is reflected in the quality of decision making on developmental issues. Department of Chemistry, St. Mary's College, Thrissur organized a department level short Film based on the topic on 28th February 2017 by our students to celebrate national science day 2018. The theme of short film was "CHEMISTRY IN EVERYDAY LIFE.

L'Aria Fresca and Swatch Bharath

As part of the launch of the Haritha Keralam Mission on December 8 2016, special Haritha Keralam related activities were organized in our college. The programme started with oath taking which was followed by cleaning hour. The staff and students of chemistry department actively joined in the Harithakeralam mission. Cleaning activities were carried out in chemistry lab and its premises. Students cleaned the laboratory and disposed wastes.

SERIES OF TALKS BY EMINENT PERSONALITIES FOR STUDENTS

- Talk by Prof. K.R. Janardhanan on the topic “Hundred years of chemical bonding” at Jubilee Hall on 19.10.16

- Prof. K.K. Bharathan, Rtd Prof, MES College, Mampad delivered a lecture on the topic “Group theory” on 08.12.2016

- Conducted study tour for third BSc. students to Hyderabad on 20 to 25 Sept 2016 with faculties Sr. Mary K P & Ms. Nithya C S.
- **PAPER BAG MAKING** demonstration and training for I DC students on 27.01.2017 by Smt. Vincy E.V
