

Programme Specific Outcome

BSW

Programme Outcome:

1. The bachelor's programme in Social Work equipped students with knowledge, values, and skills required for basic level social work practice and entry to and success in post graduate programmes.
2. It sensitized the learners about the contemporary socio-economic and cultural realities through class room and field based learning.
3. Imparted training in interdisciplinary domains to help students to effectively practice Social Work.
4. Developed understanding and integration of social work theories and practice.
5. Provided opportunities to students to serve in social work settings so that they learn to work with diverse groups.
6. Trained the students to become effective change agents in their practice settings.
