

Employer Feedback on Curriculum 2022-23

The results were discussed in the IQAC meeting held on 17/06/2022 and were presented in the College Council meeting dated 11/07/2022.

Consolidated Report of IQAC and College Council

- To increase the employability quotient, internships, projects, hands-on training, and workshops could be provided apart from the curriculum.
- Job skills could be improved by including more industrial and research collaborations and industrial visits that help to acquire more knowledge in their field of study.
- The addition of more skill and certificate courses could be focused on enhancing the competence of students.
- More start-up and entrepreneurship-related classes, fests, and workshops could be focused on enhancing innovative ideas among students.
- Career- guidance and placement programs could be conducted for students to identify more career options and opportunities.
