

Report of webinar on “How to Protect Yourself From The Dangers Of Cyberspace”

Department of Computer Science & Applications

19 October 2021

On 19th October, 2021, the Department of Computer Science and Applications, of St. Mary’s College, Thrissur, conducted a webinar on the topic, ‘How to Protect Yourself From The Dangers Of Cyberspace’. The webinar was hosted at 3:00 PM. There was a total participant count of around 80 members. The webinar was started with the prayer followed by the welcome speech. The presidential address was then delivered by Sri George Mathew, Deputy Director, Field Outreach Bureau, Government of India, Ministry of Information & Broadcasting, Thrissur which was followed by the session by the resource person, Sri Suresh K Menon, Senior Technical Director and Thrissur District Informatics Officer, National Informatics Centre, Government of India. The session covered important topics such as introduction to what the cyberspace is, how cybercrimes have increased, and the many types of cybercrimes. Other topics that were covered included how one can be careful in the cyberspace and measures to take if one is a victim of a cybercrime. The presentation was followed by an interactive session between the resource person as well as the participants, where he cleared many concerns regarding the topic. The session was concluded with the vote of thanks and the webinar successfully ended at 4:45 PM.
