

SCIENCE POPULARIZATION PROGRAMME

NATIONAL SEMINAR

27/7/2018

Organized by Department of Biotechnology

Collaboration with KSCSTE

The Science Popularization Programme “Swastha Shudhi” – Sustainable, Innovative and Scientific solid waste management was carried out by Department of Biotechnology, St. Mary’s College, Thrissur. This program, funded by KSCSTE for an amount of 2.5 lakhs organizes various seminars, exhibitions and competitions, throughout this academic year, to create awareness among the public about the importance of in situ waste management.

As part of this program, the department organized a National seminar on Solid Waste and its Sustainable Management on 27th July, 2018. The one-day seminar was inaugurated by the principal Sr. Dr. Magie Jose and the souvenir titled “SWASM” was also released. The speakers Dr. Ignatius Antony, Principal, St. Thomas college, Thrissur; Dr. S. Vijayanadh, Assistant Professor, Department of Biotechnology, Thiruvalluvar University, Vellore and Dr. E.V. Ramasamy, Director, School of Environmental Sciences, Mahatma Gandhi University, Kottayam had delivered talks on various thrust areas.
