

One-day Seminar on Intellectual Property Rights

07-11-2018

Organized by: Research Forum & Department of Biochemistry

Research Forum & Department of Biochemistry organized a One-day Seminar on Intellectual Property Rights on 7th November 2018. The seminar was conducted in Chavara seminar Hall. The technical sessions were led by, Dr. Leon Ittiachan, Professor, Department of Biotechnology, Sahyadaya College of Engineering and Technology. Dr. Sr. Magie Jose (Principal), Dr. Deepa G Muricken (HOD, Biochemistry) addressed the gathering.

The main objective of the Seminar is to make aware on Intellectual Property Rights which is a category of property that includes intangible creations of the human intellect. He emphasized on most well-known types like copyrights, patents, trademarks and trade secrets. He also highlighted the need of certification on different products. 104 Participants including III-year degree students and PG students from various departments along with faculty members attended the seminar.
