

WORKSHOP ON FUNDAMENTALS OF BIOSTATISTICS

11/2/2019

Organized by Department of Biotechnology & MCAR

A State level workshop was conducted on Fundamentals of Biostatistics by the Department of Biotechnology in collaboration with MCAR. Biostatistics are the development and application of statistical methods to a wide range of topics in biology. It encompasses the design of biological experiments, the collection and analysis of data from those experiments and the interpretation of the results. The workshop was very informative and there were 129 participants. The resource person was Dr. Saritha Francis, Assistant Professor, Department of Biotechnology, St. Mary's College, Thrissur.
