

## Workshop on Research Documentation

15-21 May 2019

Organised by Department of Mathematics

The Post Graduate & Research Department of Mathematics conducted a 30 hrs Workshop for our research scholars and PG students on “Research Documentation”. The programme was scheduled for a week from May 15-21, 2019 in which 13 research scholars and 5 PG students participated. Dr. Sr. Smitha Rose C G, Assistant Professor, St. Mary’s College, Thrissur was the resource person.

The course covered high-typesetting tools like Latex, Grammarly, Overleaf and data organising tools like Mendeley and Evernote and dropbox. Online assignments, evaluation sheets and exams were done for the evaluation process. Certificates were distributed at the end of the programme.

Number of participants: 18
