

# Let's Learn and Make

12-12-2019

**Organised by: Department of chemistry**

On 12<sup>th</sup> December 2019, St. Mary's college hosted a full day workshop entitled "Let's Learn and Make" as part of the Entrepreneur Development Club. The workshop was led by the department of chemistry for the students to learn and make products like Soap, Transparent Soap, Hand wash, Phenyle and Pain balm. It was conducted by Mr. Sreejith, Technical officer, Vigyan sagar, Thrissur. Class was very informative and 39 students participated in the workshop.

# *Let's Learn and Make*

*A wonderful opportunity to learn and make eco-friendly products*
