

“JEEVANA”

ABSTRACT

As part of the Environment Day, the Department of Multimedia organized a community workshop "JEEVANA" held in Room No: 605 on June 25th, 2024, from 10.30 AM to 12:00 PM.

A Report on “JEEVANA”

Environment Day Workshop

The Department of Multimedia (B.Voc) organized a program named “JEEVANA” as part of Environment Day. On June 25, 2024, from 10:30 AM to 12:00 PM, at Room 605, St. Mary's College, Thrissur, hosted the "JEEVANA" program.

The program was inaugurated by Dr. Sr. Beena T L, Principal, by receiving a symbolic plant. Ms. Deepa KC, HOD, delivered an inspiring welcome speech, setting the tone for Ms. Whylgreen Jose, Assistant Professor of Botany, to guide participants through sessions on budding, layering, and grafting techniques, essential components of the program.

The initiative aimed to equip students, unemployed women, and participants from various departments with practical skills that could contribute to their livelihoods, particularly in promoting the local coffee seed business. Each participant received a coffee plant, underscoring their commitment to sustainable practices and community engagement. The event fostered interactive learning and collaboration, with active participation from students and unemployed parents, reinforcing the program's impact on skill development and environmental awareness.

DRAWING WORKSHOP

ABSTRACT

Drawing workshop was organized by the Department of Multimedia on 29th August 2024.

On August 29, 2024, the Department of Multimedia (B. Voc) at St. Mary's College, Thrissur, organized a highly successful Drawing Workshop in the prestigious Jubilee Hall. This event aimed to enhance the artistic skills of participants, providing both students and art enthusiasts with a platform to learn from an esteemed expert in the field. The workshop was led by Mr. Nithin Mohan, an accomplished Assistant Professor from the Department of Fine Arts at Sree Sankaracharya University of Sanskrit, Kalady. His guidance was pivotal in delivering an enriching learning experience for all attendees.

Mr. Mohan's approach during the workshop was comprehensive and tailored to cater to participants of varying skill levels. Starting from foundational drawing techniques, he gradually introduced more advanced methods, ensuring that both beginners and experienced artists could benefit from the session. The workshop was structured in a way that allowed participants to explore different styles and approaches to drawing, encouraging creative expression and the development of personal artistic style.

A notable feature of the event was its inclusivity. Students from various colleges in the region were invited to participate, making it a diverse and interactive experience. The exchange of ideas and the opportunity to collaborate with peers from other institutions further enriched the learning environment, fostering a spirit of community and shared artistic growth.

Throughout the day, participants were provided with hands-on instruction, where they could immediately apply the techniques they had learned. Mr. Mohan's engaging teaching style and his ability to break down complex concepts into manageable steps were frequently mentioned in the overwhelmingly positive feedback received after the event. Many attendees expressed that the practical, skill-based focus of the workshop was both refreshing and immensely beneficial.

In addition to the technical knowledge imparted, the workshop also encouraged a deeper appreciation for the art of drawing as a form of self-expression. Mr. Mohan's emphasis on creativity and individual interpretation resonated with the participants, inspiring them to push the boundaries of their artistic capabilities.

The Drawing Workshop not only elevated the artistic competencies of the attendees but also strengthened the Department of Multimedia's commitment to offering high-quality, immersive learning experiences. By bringing in experts like Mr. Mohan, St. Mary's College continues to position itself as a hub for artistic development, nurturing creativity and talent within its student body and beyond.

ABSTRACT

The International Multimedia Alumni Webinar on “International Alumni Meet” was organized by the Department of Multimedia on 02nd August 2024.

INTERNATIONAL ALUMNI MEET

A Report On International Alumni Meet

The Department of Multimedia organized the International Multimedia Alumni Webinar, which served as a dynamic platform for multimedia professionals and experts to convene, share insights, and explore the evolving landscape of multimedia in the global context. The webinar aimed to facilitate a forum for multimedia alumni to exchange knowledge, ideas, and innovations. It also sought to highlight recent trends, challenges, and opportunities in multimedia industries worldwide. The event aimed to foster collaborations and networking among alumni working in diverse multimedia fields, while also inspiring emerging multimedia professionals by showcasing success stories of alumni. Three distinguished alumni participated in this webinar, each located in various parts of the world:

- Suhana Thaha (2020 Batch)
- Bahaja Mujeeb Bineeth (2020 Batch)

In addition to the alumni participants, current multimedia students from the first, second, and third years also took part in the event. This diverse participation enriched the discussions and interactions throughout the webinar. The International Multimedia Alumni Webinar successfully fulfilled its mission by providing a vibrant space for multimedia professionals to connect, share knowledge, and envision the future of multimedia industries. The impact of the event extended beyond its duration, as alumni left with new connections, ideas, and insights that will significantly contribute to their ongoing professional journeys in the multimedia field.
