

Department of Biotechnology

Basic Statistical Tools In Research And Data Analysis

Topic: Basic statistical tools in research and data analysis

Guest: Dr. Sunanda C, Statistician, VAC Ollur

Date: 04-07-23

As a part of department activities, Department of Biotechnology has organized an expert talk on the topic- Basic statistical tools in research and data analysis. Dr. Sunanda C, Statistician, Vaidyaratnam ayurveda college, Ollur have delivered key not address. Her class was very informative for the UG and PG students attended the session. The session provided basic understanding regarding the needs and tools of statistics in research field and scientific writing.

The poster is for a talk organized by the Department of Biotechnology at St. Mary's College, Thrissur. It features the college's crest in the top left corner. The text is centered and reads: "ST.MARY'S COLLEGE, THRISSUR (Affiliated to the University of Calicut, Re-accredited by NAAC with A+ grade) DEPARTMENT OF BIOTECHNOLOGY Organizes A Talk On 'Basic Statistical Tools In Research And Data Analysis'". Below this, there is a circular portrait of Dr. Sunanda C, Biostatistician at VAC, Ollur. To the right of the portrait, a box contains the event details: Date : 04/07/2023, Time : 9.30 AM, and Venue : St.Chavara Seminar Hall. At the bottom, four names are listed: Dr. Sr. Beena T L (Principal), Dr. Ben Raj (HOD, Department of Biotechnology), Smt. Prasanna R Kovath (Faculty Coordinator), and Prarthana Sathyan (Student Coordinator).

Department of Biology

Invited Talk: Prioritize Your Mental Health

An Invited talk on Prioritize your mental Health was conducted at Chavara Hall on 12-01-2024. Dr. Deepa Francis M, HoD, Department of Psychology, St, Thomas college Thrissur was the speaker. Dr. Deepa explained very well how to give importance to your mental well being and how to maintain Mental health in a proper way. A total of Thirty-Nine students and faculty members of Biology Department Participated in the programme. This talk gave a proper awareness among the students and faculty on how to give prime importance to mental Health.

Department of Biotechnology

A Talk On Intellectual Property Rights: An Introduction, Management Strategies And Related Start-Ups.

Guest: Dr. Kavitha Chalakkal

Date: 04-03-2024

Dr. Kavitha Chalakkal, Assistant Professor at the Inter University centre for IPR studies, CUSAT delivered an excellent lecture on IPR. The talk was conducted by the Dept. of Biotechnology in connection with the Placement Cell of St. Mary's College, Thrissur. More than 55 students from various departments attended the talk. Even though the topic is a dry one, Dr. Chalakkal took the class in a wonderful way and the students actively participated by asking questions.

Department of Social work Training Programme For Students Volunteers

The Department of Social Work and ESAF Foundation collaboratively organized a training programme for the students. The programme focused on equipping the students as resource persons for the Balajyothi, CSR project. The students of St. Mary's College had the opportunity to attend a training conducted by ESAF Foundation for their Balajyothi clubs as volunteers. The session was conducted on 4th April from 9 am to 4 pm. The sessions were led by Mr. Vinaya Chandran, Ms. Merlin and Mr. Hari Prasad along with other staff from the ESAF foundation.

The first session, conducted by Mr. Vinaya Chandran was an ice-breaking session as well as about the importance of sharing. The second session by Ms. Merlin was about the necessity of maintaining good hygiene in our lives. The final session was by Mr. Hari Prasad about the relevance of the environment and its conservation. Each of these sessions was supported with not just talks but also activities and games making it very engaging. The students learned various skills required to engage with children as well various activities to keep them entertained. It was a very informative session. 25 students attended the session.
